Sample Door Display

Attention Dealers:

Fabuwood is excited to present its attractive and functional sample door display. Featuring a full set of up-to-date sample doors and three installed base units that show construction quality, this door display will enhance any showroom. Although any three of Fabuwood's base cabinets are available with this display, Fabuwood recommends showcasing Galaxy Frost, Hallmark Chestnut and Fusion Blanc to make the most impact. Shipments will be arriving within the next few weeks. Amounts are limited so pre-order today.
