| *About Us*

RTG Cabinets is a dynamic and rapidly expanding company committed to delivering an extensive range of high-quality kitchen cabinets, countertops, flooring, and closet solutions throughout Texas. Our mission is to transform living spaces by offering products that seamlessly blend beauty, functionality, and flexibility to meet diverse budget needs. Understanding the specific requirements of builders, contractors, and remodelers who seek durable and cost-effective solutions, we provide a vast selection of budget-friendly cabinets that maintain high standards of quality and style.

For those looking to add sophistication to their projects, we also offer a premium cabinetry line, along with elegant flooring and closet solutions that elevate any space. With a broad inventory and quick, efficient solutions, we're well-equipped to meet the varied demands of our clients across Texas, ensuring each project is completed with excellence and attention to detail.

We start with expert design consultations, where our skilled designers work closely with you to create a space that reflects your personal style and meets your functional needs. Precision measurement is a cornerstone of our process, ensuring that each cabinet and countertop fits perfectly within your kitchen layout, avoiding any future adjustments or compromises.

Our custom assembly service brings each component together with care, guaranteeing structural integrity and aesthetic appeal. Our commitment doesn't stop there; our reliable delivery service ensures that your cabinets, countertops floorings or closets arrive on time and in pristine condition.

Finally, our skilled installation team brings it all to life with a flawless setup, ensuring that every detail aligns with your vision. With a strong focus on customer satisfaction, our responsive support team is there for you at every stage of the project, addressing questions, providing guidance, and ensuring peace of mind. From concept to completion, our services are designed to offer convenience, professionalism, and an exceptional final result.
